The screenshot shows the SPACE Ace Parking website interface. At the top, a dark blue navigation bar contains the 'SPACE' logo on the left and several links on the right: 'UPCOMING EVENTS', 'RESERVE PARKING', 'VIEW CART (0)', 'CREATE ACCOUNT', and 'LOGIN'. Red arrows point to 'UPCOMING EVENTS' and 'LOGIN' with labels 'Step 2: Select Upcoming Events' and 'Step 1: Log in to your account' respectively. The main content area has a light blue background with a faint map of San Diego. The heading 'Upcoming events' is prominently displayed. Below it, text reads 'Reserve your parking spot for the next big event in your city!' and 'Select a city to view upcoming events with available parking.' A search bar contains 'San Diego' and a 'Find Parking' button, with a red arrow pointing to it labeled 'Step 3: Select San Diego'. At the bottom, three dark blue boxes outline the process: 1. PICK (with a calendar icon) - 'Pick the days you'll need parking. You can even reserve a specific lot.'; 2. PAY (with a smartphone icon) - 'Pre-pay for your parking and print the reservation or get it on your smartphone.'; 3. PARK (with a parking 'P' sign icon) - 'Verify your parking reservation at the lot. Just Park! You pre-paid!'. The footer includes the text 'Looking for daily parking?' and a logo for 'Powered by ACE DEEP BLUE'.
